Sep 13 2025 Printersharingallows you to make an attached printer available to other computer users on the network

If you are connected to a public network location ex caf or library then you may wish to turn off file and printerssharinguntil you are connected to a private network location ex home or work Google LocationSharingis an app setting

This helps share your real time location from devices with people you choose in Google apps or services like Maps Find Hub Family Link Personal S Stopsharinga file Important If you share a file with people the owner and anyone with edit access can changesharingpermissions and share the file

If you dont want anyone to publicly access your file stop publishing the file  
Jul 1 2024 Filesharingover a network in Windows 10 allows you to share files and folders on your computer with other users over a private or public network in your workgroup or domain

You can set the permissions of a shared file or folder to allow groups or users to have a read only change modify or full control access rights Through advancedsharingsettings owners can prevent Editors from changing permissions orsharingfiles

Viewers and commenters from downloading printing or copying files Apr 10 2025  
Make sure its not blocking filesharing

Restart Network Discovery Go to Control Panel > Network andSharingCenter > Change advancedsharingsettings and try turning Network discovery and Filesharingoff and on again Sep 27 2020 How to Turn On or Off Password ProtectedSharingin Windows 10 When password protectedsharingis turned on only people who have a user account and password on your computer can access shared files printers attached to your computer and the Public folders

If you wanted to give access to shared files to other people without an account and password on your computer then you will need to To let others use your Google One storage space try Google One familysharing. All members of a Google One family plan can find how much shared storage they use

Your files aren t shared with the rest of your family and they can t access your files without your permission

Tip Familysharingisnt available for the Google One Lite plan 30 Get started with Docs in Google Workspace What you can do with Docs Create your first document in Google Docs Documentsharingbasics in Google Docs Print save or customize Learning Center guides Learn how to print Learning Center guides save them as PDFs or customize them for your organization After June 30 2025 Google One will
