It applies to nearly every property priced over \$5 million. Over the first two years since it was implemented high value property sales inside Los Angeles city limits fell by about 50 percent

Targeted state legislation could reduce ULA s negative effects while preserving its goal of raising funds to help low income renters Jan 16 2025 The U.S. wildland firefighting system is based on resource sharing across local state and federal agencies

But in a world of greater and more frequent wildfires change is needed.
