This redundancy and the efforts of seventeenth and eighteenth century grammarians to align English with Latin lead some people to say it is ungrammatical to end with at So my question is shouldshehas be contracted as she is in the above example like in the examples found from google ngram to avoid confusion? Google ngram hasn t been exactly consistent about this sometimes usingshe s to refer to sheis andshehas Sep 18 2010 Sometimes people are referring to mechanical objects as she I love my car. Are there any rules when it is appropriate to use she instead of it and is he What is the correct grammatical simple past and past participle form of the verb quit? Is it quit or quitted? She quitted her job. She has quitted her job. She quit her job
