Nov 8 2019 Thedifference is thatshe s and similar shortened forms are used in colloquial speech but not in certain cases. In your example sheis being emphasised Shewas in onthedrama whenthetheconman showed up atthestage door

If you are an actor in something it s in Shewas in Cat on a Hot Tin Roof. Shewas inthemovie Cat On a Hot Tin Roof. Shewas in several West End plays

VERSUS to be on TV to be ontheradio to be on tv ortheradio just means that a person has been recorded in that medium Jun 4 2011 Taken fromtheFree Online Dictionary Usage Note Usingsheas a generic or gender neutral singular pronoun is more common than might be expected giventhethecontinuing debate regardingtheparallel useofhe

In a 1989 article fromtheLos Angeles Times for instance writer Dan Sullivan notes What s wrong with reinventingthewheel? Aug 23 2024 In short she they is themost common way for a person to indicate that they go by she her or they them pronouns likely with a preference fortheformer

It is not incorrect. Note While she they is commonly used by feminine leaning non binary people a great dealofwomen both cis and trans also go by it Upon answeringthetelephone theperson calling asks if Joan is available

If Joan is theperson who answeredthephone shouldshesay This is her or This isshe ? So my question is shouldshehas be contracted asshe s intheabove example like intheexamples found from google ngram to avoid confusion? Google ngram hasn t been exactly consistent about this sometimes usingshe s to refer tosheis andshehas Sep 12 2020 The at is redundant

It is not needed becausethequestions could be more concisely put as Where isshe he?

This redundancy andtheeffortsofseventeenth and eighteenth century grammarians to align English with Latin lead some people to say it is ungrammatical to end with at What isthecorrect grammatical simple past and past participle formof theverb quit? Is it quit or quitted? Shequitted her job

Shehas quitted her job. Shequit her job. Shehas quit her Sep 18 2010 Sometimes people are referring to mechanical objects as she I love my car. Shealways getsthebest service

Are there any rules when it is appropriate to use she insteadofit and is he Sep 8 2014 assheis likely to be used poetically or formally and is more archaic thantheusageofas her. Either will do and most native speakers will understand your meaning or intent.
