Oct 7 2024 Mobile Vactra 2 way oil for ways screws lower gearbox and apron as specified by the manufacturer for my lathe all ball oilers. STA BIL Rust Stopper Soaked towel for all unpainted surfaces e.g

outside of chuck cross slide compound etc Dec 4 2010 Am I wrong thinking that using HD hydraulic oil to fill the carriage and tail stock reservoirs? Way oil is sticky and will hold fine chips but hydraulic oil is easily pushed off by the way wipers

Ways are always oil covered being oiled by the reservoir and pump in the carriage Jan 12 2003 Way oil is not a demanding service the loads are low and there are no foaming temperature or shear components to cope with. Outside of thixotropic properties any good machine oil could serve as a way oil

I understand Vactra has been reformulated. I don t know if this has made a tangible difference in performance Dec 17 2011 I just spent the last hour Googling way oil trying to understand the when why and how of it. I get it that you need to oil the ways

Why a special oil how often to oil do you wipe it on? How about a short discourse for a raw beginner Feb 23 2020 Bar oil is usually ISO100 so a bit thicker than your typical way oil s but will work fine in plenty of machinery and is pretty cheap

Just make sure you don t buy the biodegradable type May 22 2014 I am looking to buy way oil and was about to pull the trigger on mobile vaculine 1409 but paying well over \$100 for three lifetime supplies of anything makes you look at what you are getting and what options are available

I did find numerous old threads that go into great length on how Apr 25 2011 Searching for advice on proper way lube I find a number of oils mentioned but can t find any of them available in my country town in Australia in stock anywhere

Would a low viscosity modern fully synthetic engine oil be suitable? If not why not just curious. What makes a way oil Way oil has additives that help keep the film in place in the presence of the way wipers

The swarf and grit are much larger than the oil molecules and therefore much easier removed by the way wipers Jun 4 2006 I use Vactra 2 and 4 but would not hesitate to use the way oil from any other large reputable maker. Joe s Bargain Oils is not someplace I would care to buy my way oil

Mobil Vacuoline 1409 is supposedly the original formulation of Vactra 2 although that s not stated in their documentation
