8 I viewshitas a swear word crap as a rude word and poo poop as a word suitable for children to use. Shitalways seems to be a bit of an Americanism to me which weakens its impact a little for my ears rather like an Englishman calling someone a motherfucker Dec 15 2021 4 Shit like fuck is a very versatile word in the English language

Even dictionaries that do have multiple correct definitions for shit often aren't always fully comprehensive and probably won't cover the nuance Dec 13 2014 Another inoffensive substitution for shit in American English is caca used for feces or filth but it is very childish

It also happens to be the Spanish word for feces 0 Another term for it British English is Dog Muck

This is certainly the term I would use in an informal situation whereshitwould be inappropriate Sep 1 2017 I often see Noshit! in different contexts and wonder if it has only one specific meaning or different meanings in various contexts? I know that it's slang and informal I regularly have thoughts with the word shit examples he she hasshitcharacter not thatshitor I'm sick of thisshit etc

How could I have the thought or say shit in a more sophisticated or In daily conversation when we discuss say about the baby excrement faeces

Which word should we used? Excrement faeces or poop? Mar 19 2016 Holyshit would be considered crude offensive and impolite by many speakers especially in certain circumstances such as at the dinner table holy cow is a sanitized version which very few people would find offensive 1 You can say Do you think yourshitdoesn't stink? and it is grammatically correct but it won't have the same effect

Do you think yourshitdon't stink? is an African American Vernacular English AAVE also known as Ebonics phrase. AAVE verb conjugation doesn't need number agreement for present tense Apr 25 2015 I am trying to write an essay and the only phrase I can think of is shithappens

I'm wondering is there any formal way to say shithappens?.
