May 28 2020 The text specifically says Shove is a special melee attack. Is this a case of specific beats general where the specific wording of Shove makes it an attack even though the general definition of an attack is different?

Alternatively is the wording of Shove just using common language or is it intended to mean something different? Jan 15 2016 For example the shield mastery feat gives the option to shove an adjacent creature 5ft as a bonus action

Could you make an Opportunity Attack on the creature because it leaves your threat range? Apr 26 2025 In other cases Shove or Grapple the target creature makes a saving throw now instead. There is no mention of an attack roll for the Grapple or Shove options

If you assumed that there was an implicit attack roll before you chose any of the options then making a normal Unarmed Strike for damage would involve two attack rolls to connect Sep 7 2023 5 In 2E of Pathfinder there is a number of fighter feats that allow to automatically shove an opponent in certain conditions including Aggressive Block and Brutish Shove

But at the same time Shove as an action requires either free hand or weapon with Shove trait Sep 22 2025 The current campaign I am playing is under the 2014 5e rules. My DM has stated that he doesn't want to try blending any rules from 2024 into our game

I'm looking at the rules for a shove attack a Jun 6 2024 I've been looking at the shoving rules. I'm slightly confused on the contested wording and which skills are rolled

The rules say Instead of making an attack roll you make a Strength Athletics Oct 10 2023 Given the existence of the optional rule in the DMG mentioned by Shadomew I think that clarifies that the standard push rules meant directly away from you a shove along the line between the creatures not a judo throw to a different angle which requires pulling Nov 21 2014 I'm trying to determine how the shove attack action and Reach weapons interact

In particular can you use Shove on a creature 10 feet away? The Shove description says Using the Attack action you can Oct 30 2018 The Shove is not counted in the rules as weapon attacks they are special melee attacks

Using the Attack action you can make a special melee attack to shove a creature either to knock it prone or push it away from you The remastered rules text for Powerful Shove reads as follows emphasis mine You can push larger foes around with your attack

You can use Aggressive Block or Brutish Shove against a creature up.
