May 8 2025 The place to discuss all things MLB TheShow25 Oct 16 2025 SDS published a job listing titled Senior PC graphic designer for AAA Title

This might be the biggest mistake that leads to their downfall Nov 21 2025 Ericulous1 said in What Needs to Improve for MLB TheShow26 Diamond Dynasty This game needs a severe overhaul in how its played Diamond quest had a lot of promise but making it moments and showdowns before 2 inning game made it boring as sin

My ideas for DQ When you fail to get a card your earned progress % boost carries over to the Jun 18 2025 This year TheShow25 I cant make any contact. But the timing window keeps saying my timing is good and in the green and Im swinging right through pitches and at best fowling the pitch off

Am I missing something other than just the ball? Its making me want to stop playing the [censored] game Dec 9 2025 Full Professional MLB The Show Feature Proposal Part 1 + Part 2 Combined MLB The Show continues to be one of the best sports games available but several key upgrades could bring the experience closer to true MLB authenticity especially for Franchise and simulation focused players

Below is a detailed proposal combining all requested features from both parts

GM Office Front Office The place to discuss MLB TheShow25 s Diamond Dynasty mode Nov 8 2025 Formeto purchase MLB theShow26 I would need some of these must haves or considering my type of usage mentioned above I see no purpose

Obviously there are many other items needed for the game but at this time these are the ones I must have for 26 in order formeto buy in Jul 18 2025 After a few days of the game playing a little more consistently and feeling more fun in general I just got done with one of those absolutely egregious games Oct 16 2025 MLB TheShow is a game that is heavily reliant on getting good frames per second

Console refresh rates are capped at 120 right now while good monitors for PC can reach north of 240 fps Aug 4 2025 Dolenz said in The new and improved app TheShowScout Spent a lot of time this weekend completely redoing my app

I removed the AI Generative prompt for reports because it was flakey and could have ended up costing me money. But I added 33 pre built reports to go with the searching and filtering TheShowScout This was created on a PC in a PC browser so I am not sure how it will fare on.
