Nov 21 2012 After more than a decade of marriage mywifehas agreed to open our marriage we re now actively swapping with a couple that we ve known for years who are also newbies to this lifestyle

Of the four of us I had been pushing for this the most but now I m the one who has had bouts of jealousy and possessiveness

Some back story Apr 22 2010 How do I deal with my Introverted Shy Wife? By dennisflorida April 22 2010 in Marriage and Life Partnerships Has your husbandsharedyou with others? I d love to hear your thoughts stories and advice. Thinking about treating mywifeto a little strange

We ve discussed it and she is interested in the idea. I m not sure how we ll go about it. I think we might just pick someone up at a bar Mywifeof 19 years fulfilled her fantasy of being with another man

Can I deal with her new lifestyle ? A common theme coming up is that mywifeisn t an individual or has some kind of insecurity or even as far as she is robotic who bends to my will. Lisa gave me the reasons for why she did what did and I believe her

But it looks like from the comments I should assume she is lying and call up a counselor therapist to fix her So during that night after a few hours somewhere around 1 am her friend called me and told me that mywifewas super messed up and very very drunk

The friend told me that mywifewas crying because she thought I would be mad at her

I wasn t mad that she was drunk it was actually quite funny The Bachelor Sister Wives 90 Day FianceWifeSwap The Amazing Race Australia Married at First Sight The Real Housewives of Dallas Thewifeis so reluctant that I dont get completely consensual from this

Sounds more so like exterior pressure put her into this situation as it has many men and women. Reply reply ThrowRAhelpplease19 Dec 19 2016 Friday night I took mywifeto my workplace s annual holiday party
