Log into Facebook to connect and share with friends family and people you know
Login and Password Find out what to do if you're having trouble logging in or
learn how to log out of Facebook Connect with friends and the world around you
on Facebook How to log into your Facebook account using your email phone number
or username Learn how to keep your account secure to prevent it from being
hacked or recover your account on a Meta platform in the Account Recovery
Support Hub If you can't receive emails or text messages from us maybe because
you lost or upgraded your phone or your email account was hacked learn how to
recover your account if you can't access the email or phone number on your
account Your activity log lets you review and manage what you've shared on
Facebook

By default it shows your activity from the current year starting with your most
recent activity This article is for people who are having problems logging into
Facebook because they no longer have access to the email address or mobile phone
number on their account

If you can access your account email or phone learn how to reset your password
Jul 12 2013 Can't access Facebook from one computer but can on another I'm
helping a friend out While she can do it at work she can't log onto her Facebook
on her own computer

Her computer is an Acer Aspire Laptop and it started two days ago. Now I know
with something like this she probably got banned Please enter your email or
mobile number to search for your account.
