Apr 5 2025 I 20M sexually abused mysisterwhile she was asleep

It happened when I was 14 or 15 I don t remember exactly when that puts mysisteraround 9 or 10 5 years 3 months age gap and we slept in a same bad together because our family had only 2 beds at the moment Aug 25 2025 The oldestsisteris very stoic and stubborn but I get along with her pretty well and talk a lot

The oldest told me the other day she was just trying to make it through the day without yelling at somebody. The oldest has anxiety attacks and has had a panic attack or two

So my question is in general how do I deal with my middlesister? Mar 11 2025 Or is it because the histrionicsisterhas to stay close to family as they have hard time keeping other female friends? I dont want to hurt anyones feelings

I am trly sorry for the suffering that comes with histrionic personality Mar 21 2013 Mysisterdoes have a history of making up things to get attention dating back to when she was in Kindergarten and she told her teacher one day in tears that her littlesisterdied in an operation and her daddy moved out

The teacher believed her completely and called my mom and was shocked to learn that nothing of this sort was going on at all I molested my littlesister
