How to properly sit on a face? EDIT THANK YOU to every single one of you that commented! I have learned a lot and I've since learned that it's more like hovering over not sitting lol I knew I wouldn't actually sit on him I just wasn't sure how to phrase it Sep 16 2020 I am also a dude that adores giving oral especially when she is sitting on my face

It's one of my favourite activities. There are so many great things about it I like the intimacy and trust it requires but the best for me are the smell and taste

I usually orgasm 90-95% of the time from it with no extra stimulation. My boyfriend's dead! Yet the police and EMS were like He died in the best way possible lmao There's also a tiktok video that I can't find in my gallery but it's there somewhere where a woman asks dudes if they REALLY want them to sit on their face or just hover my girlfriend and I like sitting on each other's faces not at the same time and whilst I usually hover over her face she literally sits on mine so I almost suffocate

but I like it. She's autistic so maybe she thinks face sitting is literal. Whereas I always thought you don't actually sit down

What is the general consensus? Jun 29 2023 Guys when you want a woman to sit on your face do you mean perch or like full-on sit down whole body weight kinda thing? Sit on my face and tell me that you love me I'll sit on your face and tell you I love you too I love to hear you oralize When I'm between your thighs You blow me away Sit on my face and let my lips embrace you I'll sit on your face and then I'll love you truly Life can be fine if we both sixty-nine If we sit on our faces in all sorts of places Aug 9 2022 Not quite accurate

When my girlfriend sits on my face I can clearly see her face and body above me. And that eye contact is to die for

Touch their face and say gonnasitthere k? or I'm going to take my pants off sit on your face and wiggle around until I have a screaming orgasm is that all right? Either works both at home or at any Wendy's Jun 18 2018 I've tried saying I don
