Welcome toSkinDeep! When insurance corporations want to keep valuables safe they freeze you and stow you onto their cargo starships. And when space pirates board the starship and trip the silent alarm you unthaw take a deep breath and handle the situation

Good luck operative SkinDeepis a first person shooter science fiction video game developed by Blendo Games and published by Annapurna Interactive released on 30 April 2025 for Windows

[3] The game follows an open ended structure heavily influenced by immersive sim mechanics which allows players to approach missions using various playstyles

[4] 5 days ago Skin Deepis the game that Blendo was meant to make and it s the game that a lot of us have glimpsed in all the developer s other games going back to oddities like Flotilla as well as straight SkinDeepis an immersive first person shooter. We got sneezing

We got things getting stuck in your feet. Stalk through a vast non linear starship and sneak subvert and sabotage to survive in this stellar sandbox. You re outnumbered outgunned and have no shoes
