A place to share and discuss content of your favourite Influencers Celebs Feb 19 2024 Now I do agree with some of his points BUT he consistently promotes and supports OnlyFans girls such as Sky Bri and Autumn Falls. I had no idea who those girls even were if he had not promoted them

The message being that OnlyFans girls should be ashamed of themselves unless they benefit him Jul 16 2023 15 votes 32 comments. She looks so happy with her bf. I honestly root for her so strongly May 18 2023 Literally made an account to say this

It s not a coincidence that as soon as Stella showed up Rara and Sky stopped being friends. Stella is a snake and genuinely EVIL. Like one of the more overtly bad people I ve seen on social media. I feel like a disaster is incoming if she doesn t separate herself from Stella

Edit Also I guess Stella found it bc she immediately downvoted this while May 12 2022 Falling off most likely. Unless he makes a song saying something other than making niggas move someone getting it too and that Bribitch lol.
