Then go through theSkyrimSE AE lists and pick one that s suited to them. Do they like super realistic needs survival gameplay? Or do they want a kitchen sink type modlist where loads of mods are installed

Could even install both lists if they want Welcome to r SkyrimMods! We are Reddit s primary hub for all things modding from troubleshooting for beginners to creation of mods by experts

Both editions share the same game and is pre loaded with the same dlcs. The only difference is the CC content. If playing on next gen console there is a next gen update that is free

This basically makes the game run a little smoother than the on the previous gen Nov 15 2022 Hello! This is a project that I started purely for myself but it s come along well enough that I thought a few of you in the community here might enjoy it

It s mostly made possible by the modders in community after all! I started this project to test my own writing and photoshop skills as well as play around with camera angles in a heavily moddedSkyrim
