r/stitchfix An unofficial subreddit dedicated to the discussion of Stitch Fix a personalized clothing subscription service I've been using Stitchfix for 8 years or so. Sometimes it's amazing and everything is perfect and other times everything in the box is useless

It ebbs and flows with quality and overall experience but I still use it once every 2-3 months to help keep the wardrobe fresh. Mar 28 2021 I am a college student and I'm trying to get some more business casual clothes and a few more formal items. I'm also kinda a weird size chubby AF and short AF

Additionally I know so little about fashion as in I've been wearing cat shirts since high school. Would stitch fix be worth it for me and if so how can I get the most out of it? 11K subscribers in the stitchfix community

An unofficial subreddit dedicated to the discussion of Stitch Fix a personalized clothing subscription Jun 9 2019 Info I'm a 34 year old elementary teacher. A year ago I was embarrassed at how many times I wore the same Under Armour polos not that there's anything wrong with that! and golf pants

My wife is very fashion forward and always looks good so I decided to try and step up my fashion game. I literally had no idea where to start or how to start. I asked a buddy of mine what he used to get new I signed up updated my profile with all my size and style preferences

I get an email saying preview your fix so I click it. It has some of the oldest ugliest and plainest looking clothes. A boxy floral wrap dress some frumpy baggy tops. Just not good

In my profile at the end where it says final thoughts I put this I like predominantly black clothing and I tend to wear very neutral colors Aug 10 2022 Did you review your fix preview and decline the items you didn't want? Did you add items to your inspo board? Did you put nos in your note to stylist? Such as no sweaters or winter clothes

The algorithm can't recognize no statements so only put things you want

If you did all these things and still got sweaters or repeats it is likely the algo completely styled the box An unofficial subreddit dedicated to the discussion of Stitch Fix a personalized clothing subscription service Jan 21 2023 An unofficial subreddit dedicated to the discussion of Stitch Fix a personalized clothing subscription service Apr 11 2023 An unofficial subreddit dedicated to the discussion of Stitch Fix a personalized clothing subscription service.
