Mar 6 2025 Received the New 2025SlingshotR on Feb 20th absolutely Love this thing. Runs Rides and Handles completely different from my 2022 SLR ever did

There are a lot of subtle cosmetic changes that aren't seen with the naked eye until you try to swap out OEM parts with aftermarket ones from my Jun 19 2021 I have a 2015 Base modelSlingshot later called the S model and added a Hahn Stage 2 Turbo kit once my factory 2 year warranty expired

I now have over 62000 miles with over 25000 miles with the turbo

The new 2.0L Polaris engine is a totally new engine and IIRC is also Polaris first 4 cylinder in house designed engine Dec 16 2024 2025 PolarisSlingshotJump to Latest 4.3K views 29 replies 12 participants last post by 51504 Feb 6 2025 S Feb 20 2025 Got a 21 R 305 tire and have been shopping for a rear fender

Doesn't seem to be much in the way of choices. While. I like the Polaris Fender \$900 seems to be an excessive price for what it is

Another possibility is the Paramount Plastics Stealth 2.0 fender which is substantially cheaper but Nov 9 2024 When are they going to release the 25 model year ? Feb 14 2025 I have a 2016Slingshotand I use a battery from Batteries Plus

Probably different batteries from the 2016 to your 2021 but the batteries from Batteries Plus have done well for me and are generally cheaper than some of the others Nov 14 2024 My dad always dreamed of owning a PolarisSlingshot but we never quite managed to get one before he passed away

It's always been a dream of mine too and I finally decided to go for it. After a lot of research I bought a 2023 PolarisSlingshotS with the Technology Package from Copart Aug 7 2022 TheSlingshotaftermarket web sellers offer replacement brake pads that are reported to be an improvement over stock

Most expensive option is purchasing a complete aftermarket brake setup to replace pads rotors and pistons Feb 2 2025 Had a 2022 SLR until the Dealer screwed up and totaled it back in October. Just placed my order for the new new 2025 NightfallSlingshotR. Delivery is in 4 weeks

I am looking for the best and brightest full LED kit available

Had come across a complete kit back in November after the 22 was Jun 22 2024 Adding rear speakers to my 2020SlingshotSL Jump to Latest 1.5K views 2 replies 3 participants last post by Tonylong1 Nov 26 2024 B Mar 6 2025 Received the New 2025SlingshotR on Feb 20th absolutely Love this thing

Runs Rides and Handles completely different from my 2022 SLR ever did
