Oct 3 2011 I m interested in the origin of the terms smooth operator. Does anyone know where it came from? What kind of operation? Jun 6 2014 This is a common usage

Consider this definition from OD Of a person or their manner actions or words suavely charming in a way considered to be unctuous his voice was infuriatingly smooth The popular song by Sade Smooth Operator describes a man who is polished but insincere A license to love insurance to hold Melts all your memories and change into gold His eyes are like angels but his Dec 31 2012 2 I would call somebody who can talk their way out of situations or manipulate people just with clever speech as a smooth talker or smooth operator colloquially speaking

According to Urban Dictionary a Smooth Operator is A person who can ease their way through things typically using words. Also may be a player Dec 5 2017 I am looking for a single word response for someone who always knows the right things to say in any situation

For example Taylor got us out of trouble with the police. What a ___ Jun 13 2014 3 Smooth operator is someone who is good at winning over women. It s also the title of a song about that same behavior it has a slightly negative connotation

It might be exciting to get the attention of a smooth operator or if you re a man to have the skills of one but you probably wouldn t want to take him home to meet your parents Feb 19 2025 If an organisation creates a form and names that specific form Temporary Operator s Permit then that is the name of that form and is accordingly capitalised

If we want to refer to temporary permits to operate something without having a specific form in mind we would would not capitalise temporary operator s permit Doorknobs generally being made of smooth materials such as brass or glass are somewhat slippery

Not also being made of smooth materials is comparably slippery. Combine the two and you have quite the traction less situation

This is a vivid metaphor known colloquially as a redneck expression like colder than a witch s tit in a brass brassiere or hotter than two rats [redacted] in a Dec 26 2012 Are there rules of usage when using the ampersand amp instead of and ? Are they completely interchangeable? The ampersand seems more casual but I m not sure Feb 8 2015 Say for example in customer support the operator has to explain and re explain a procedure over and over but the caller can never seem to get it right

To be clear I m talking about the act of blowing air out of the nose when angry
