A friendly place to discuss programming withSnap! Feb 28 2025 Weve just released SnapCloud v10.5 featuring sound recording capabilitiesoniOS devices and a new block for getting tilt sensor data from your phone or tablet Jan 18 2025 Hello everybody! Immediately felt in love withSnap! once I got to know it and wanted to thank you devs and forum users for all of your work and participation

It inspires! I have a question regarding objects attributes. Maybe it s quite obvious as it is and or well explained in a certain Reference chapter I skipped but there s the one thing I wanted to implement in my tiny deckbuilding Jan 27 2025 I need help with a solution for aSNAPtask for my son

He is at his wits end trying to figure it out but his teacher does not help him. I have no clue what I am doing and tried using AI but that didn t help. The task is Create a script that allows a user to input a series of names and store them in a variable list L

The list should allow the user to continue entering names until they Mar 24 2025 In this week s module we will begin exploring how to create games inSnap!

Since games tend to be more complex this module will extend across multiple weeks as we develop concepts create first drafts and then refine mechanics and features

As a jumping off point please review the documentsonthe course page for the moduleonDesigning Nov 19 2025 Scratchers coming toSnap! generally dont like the old style Scratch 1.4 look ofSnap! as they are used to Scratch3appearance

If the visual block changes could be incorporated intoSnap! as an optional skin then it would be a big win for block programming progression Thanks for the very kind words Feb 9 2025 Description copied from StephanShi s website Bytebeat Bytebeat music or one liner music was invented in September 2011

They re generally a piece of rhythmic and somewhat melodic music with no score no instruments and no real oscillators

It s simply a single line formula that defines a waveform as a function of time processed usually 8000 times per second resulting in an audible Apr 7 2024 Snapblocks is a fork of scratchblocks by ego lay_atman bay it does exactly what you think

Although it s mostly scratchblocks but withSnap! style there ARE differences you need to know incaseSnap! puts them in forums or you want to try them. To test out snapblocks for your self clickonthis text to visit the website. CATEGORIES The categories are mostly the same in snapblocks

motion Nov 1 2020 This is the category for users to provide tutorials How to set
