the user who posted the Chadnondorf leak BEFORE thesnapchatwas made 2. Wendy s accidentally teasing Isaac 3. This dude saying Banjo is for sure in and saying his Microsoft guy verifies the roster of the Grinch leak

That s THREE different sources if you wanna call them that confirming the same characters as the ones in the Grinch leak 1.The leak was made to look unintentional through Snapchat. Sends it to a friend or friends. Said friends leak it

Weird but okay not posted directly on Pow Forums or another leak site. Basically they leaked it with the apparent plot twist of acting like they didn t want to leak it. Amazing
