I signed into OutlookSocialConnector but not really sure if that would cause this issue An S corporation also referred to as an S corp is create at the state and then through an IRS tax election

An S domestic corporation can avoid double taxation once to the corporation and again to the shareholders by electing to be treated as an S corporation. Only the shareholders are taxed as opposed to both the shareholders and the corporation itself

An S corporation is a state It is a state created corporate entity. It has its own birth certificate an LLC certificate and its ownSocialSecurity Number a Federal Tax ID EIN. Thus it is a separate person. A legal person as opposed to a natural person because it has papers but no physical body

It is separate from you so you are not liable for its wrongs and taxes. As an LLC owner you are called an LLC member.
