Nov 2 2020 0 I d say thatsomethingscan be used in a more general way for when you are referring to any arbitrary number of things while anything would be better suited when the things are limited in numbers BUT parts of a car can also be understood as the engine the hood the roof the chassis and notsomethingreplaceable as insomethingyou can buy at an auto parts store Aug 8 2024 With transitive provide sth to for sb I think answer 2 is closer to is more about giving or handing offsomethingto someone while for is more aboutsomethingbeing made available to someone It has to besomethingshe would like

Another possibility is that the writer uses separate words to emphasize the thing part in contrast to some one

To quote Jim Carrey quoting Shatner from an old Twilight Zone There s someone on the wing! Some thing! Still it is rare and the example you quote is more likely a typo than intentional May 20 2024 I m sure I ve gotsomethingfor you is only informal in AmE insofar as it includes a contraction in my experience Americans rarely use I havesomethingfor you which is the relatively formal BrE version But my point was simply that with or without got contracted or not AAVE doesn t use have in that way much if at all According to Korean English grammar books nouns that ends with thing such assomething anything generally take that as a relative pronoun

But does that mean that somethingwhich is not Dec 13 2016 Should I use is or are in this sentence? Vocabulary based games issomethingthat he enjoys the most Mar 6 2020 You can say that you are consideringssomethingorsomethingis on your mind by saying I think of about something

Here something is an indirect object and thus must be a noun it s a thing you are thinking about She thinks about business. I m thinking of dinner I know that generally native speakers say it usually like this without the to These exercises will help you get better at math

Can you help me move these boxes outside? But sometimes thoug The construction was to help to do But to help is used so often with an infinitive that speakers began to consider itsomethinglike a modal verb such as can may etc and began dropping to.
