No we cannot tell you when something will go on sale Is the Home Depot Protection Plan Worth It? I know the general consensus with most extended warranties or protection plans is they are not worth it. I've actually never purchased an extended warranty in my life

But I'm curious if anyone has experience with Home Depot's protection plan Hi all I really want to work full time at Home Depot but only as a garden associate since I come from a floral retail background and heard it's one of the best positions at Home Depot

I've searched on the Home Depot career webpage and for my locations it doesn't explicitly say Garden Associate but it says cashier merchandising support lot associate and so I assumed locations Dec 3 2020 Hangout for Home Depot associates. No affiliation with The Home Depot Inc

No we cannot tell you when something will go on sale Is the Home Depot appliance protection plan worth a damn? Looking at buying a new washer and dryer and curious what my best option is for a protection plan

Is Home Depot's any good? Other suggestions for service assistance beyond the initial manufacturer warranty? Nov 6 2023 Home Depot and Lowes are kind enough to offer rental services but that's not their primary business. I'm sure lots of folks use them and have no problem

Were just one nugget in a gigantic steaming pile of turds

Reply reply Acceptable_Part3390 Feb 26 2022 Genuinely a good store it varies a lot between stores but the management at the stores I've been at all have been great partly because home depot kinda forces its people in any managerial positions to be nice to the other associates

Even if the management at your store sucks it's a pretty good job Reply reply fiscal3498 Welcome to Home Depot Deals subreddit! Here you'll find the best Home Depot deals updated daily! Join our community so you never miss out on the next
