Jun 16 2024 I am currently a rising Sophomore at a non target and I have an internship at an M A firm for this summer which lets me do deal sourcing and valuation. I am also currently learning my technicals and how to use excel with online courses

I've noticed a few places like BofA and MS had Sophomore specific internships for 2025. As a sophomore you should be more serious about getting an internship but having an internship in finance isn't absolutely necessary.

Working for the summer as an intern for a political party candidate or representative or a nonprofit of some sort can provide you with a great experience and story to tell during your junior year interviews Jun 13 2024. Wanted to start a thread to see where everyone is at in terms of applying for the sophomore Global IB program for summer 2025 at Bank of America NYC was my first choice.

When Jul 29 2019 I understand that a very common path is for students to do an internship in PWM or at a local PE shop or HF etc in the freshman summer which I have done and then do an internship at a boutique investment bank during their sophomore summer and then hopefully get a BB EB MM internship for the following summer Mar 15 2025. Any advice or timeline for SA 2027 recruiting this fall? Specifically when should I start networking refining my technical skills etc.? May 13 2025 I am a sophomore planning to recruit for a 2026 Consulting internship.

Previously I thought that most postings besides MBB would come in late summer September. I am seeing a few postings like A M Transaction Advisory that say 2025 but were posted a few days ago.

Is that just incorrectly dated? I am starting to get scared I am missing the Aug 16 2023. I was just wondering am I already too late to the party for sophomore 2024 internships? I have a freshman summer internship under my belt already but am hoping for an IB internship next summer.

Any advice at all would be appreciated as well as any clarification about the recruiting process at this point in time for rising sophomores Apr 28 2024 Apr 28 2024.
