She hates it. She has refused to do it any more. I can tell you this for me it was so special that once she was seemingly clenching her teeth painfully on my penis and I still did not want to stop. It was not on purpose it was just???? I covet it

I am sad. I Jan 6 2016 My wife actually straight up told me back when we were dating to never ever spank her or slap her butt during sex. This came from nowhere and is not something I d have done any way
