Dec 15 2008 I agree thatspankingdoesn t relate to the unfinished schoolwork but I consider the issue NOT to be the work but a rebellious attitude. And I feel thatspankingis a very acceptable punishment for that. I think they ve tried all kinds of natural consequences and it hasn t helped

Drastic behavior requires drastic punishment Mar 1 2005 After aspanking we always hug them and tell them that we love them and that we don t want to spank them but we have to discipline them. We rarely need to spank our son any longer he usually stays in line

Our daughter is a little more stong willed and spankings aren t quite as effective as they were before Oct 12 2009 Once thespankingis over the child is restored to good standing. The sin is forgiven and forgotten. This is the part that I think was freeing for our son

The middle child got mouthy and Dad smacked her. She was a young teen at the time old enough to know better

The older high school girl jumped in and said he couldn t do that and Jun 20 2004 Spanking yes or no and why? These kids are 16 17 18 years old. They re transitioning into adulthood shouldn t their consequences reflex that? The judge shouldn t have called that spanking however because that just lumps her in with moms for whomspankingreally is just a harmless swat on the bottom Mar 20 2011 Hello everyone
