Any regrets on doctor length of incision type of wound closing etc? Ive wanted mytongue splitfor years and am about to Aug 29 2019 Tongue Split The good the bad and the ugly So I know people post about this very frequently but I feel like a lot of the posts are about specific questions and I just want to do a more overall post while it s still fresh in my head

Healing mytonguewas extremely hard and nothing prepared me for it Mar 15 2024 It turned out amazing congratulations! How hard was it to figure out get used to moving them independently like that? Oct 15 2022 As stated in another comment visible bodymods are generally forbidden for pilots but since atongue splitis hidden I am pretty sure you can get away with it

I don t live in the states but I went for my aviation medical here in Canada a couple years before Covid hit they didn t ask about this stuff when it came to my physical Dec 30 2021 7.2K votes 356 comments. 1.7M subscribers in the TIHI community

5 Hours posttongue split and here are some things nobody tells you to expect from it When one half ends bigger than the I found that the psychological impact of atongue splitpre procedure the mere thought of a scalpel running down yourtongue is a thousand times worse than actually experiencing it

My modification professional did an excellent job with not only thesplit but the pain management during Jul 23 2022 First time I ve seentonguesplitting was on a TV show called Boston Public a bunch of students were brought to the principal s office for having theirtongue splitbut it was nowhere near this at all This is going to be a weirdly specific post

I m 19f and have had mytongue splitfor 4 months. Very long question. I feel like I m going insane with the frequency of this phenomenon

Have you guys consistently had men tell you online and IRL in response to learning about yoursplit that they know knew a girl specifically that has atongue split and proceed to tell you the most so ive been doing heavy research for awhile now ontonguesplitting and im pretty sure im just about as prepared on info as I can be

all I have left is to decide the artist and set an appointment with them. im stuck between shawn ohare or ian bell so if anyone had theirsplittedone by one of them and could let me know what their experience was like id super appreciate
