Oct 11 2018 The past tense and past participle of split is split

I don t think that splitted is grammatical though I dare say it gets used Jul 20 2012 In the sentence I have a bibliography page which I d like to split into sections which would you rather use splitin or splitinto? Why? Jan 31 2012 The problem with this is that unlike the runs or scissors or the heebie jeebies or any other example I can think of The Splits has multiple forms of use that necessitate a singular form

No one is ever concerned about having a run in regard to making it to the toilet. The Splits starts out sounding wrong but then quickly devolves into being un useable when you have to describe a particular For the most part the words are interchangeable

Distinguishing between multiple examples of such things can be aided by their individual connotations crack a line on the surface of something along which it has split without breaking into separate parts A crack tends to be a visible flaw that can splinter or spider into larger cracks with many smaller attached cracks

The defining point of What is the meaning of the following sentence? You have successfully split a hair that did not need to be split

Source this post on the Programmers Stack Exchange Every entry has a wordsplitinto syllables and technically speaking according to traditional rules of typesetting you can hyphenate a word at any syllable boundary

For example in the Merriam Webster s online dictionary the entry for dictionary reads dictionary so you could hyphenate anywhere there appears a centered dot Aug 3 2011 What should be used in below sentence split or splitup and why? We need to splitup the background image of the website into two parts Splitinfinitives involve the to infinitive specifically

The to not a preposition it is a infinitive marker

Lastly I found your arguments about wanna gonna unconvincing and irrelevant because these words are informal and the argument about splitinfinitives is most certainly about prescriptivism Mar 24 2013 Does the in imply multiplication in which case splitin half is correct or is it division? It sounds like the latter to me but I ve heard it used both ways The sentence with not between to and the verb do in this case is a special case of the splitinfinitive construction

According to CGEL 2.3 Secondary verb negation p. 803 these two sentences are semantically equivalent and either is acceptable.
