However I noticed only one of the pins was extended Oct 19 2019 I use it for beading the condensation we get on our cars here every morning during the Fall Winter Springcolder seasons and works extremely well

It doesnt just clean it it leaves a microscopic layer of protection hence you dont get water staying on the surface Feb 8 2024 Starting 11 March 2024 Ring have increased their subscription the basic plan has risen from 25 to 35 and now to49.99 year per device.I for one am going to stop purchasing and fitting their pro.
