Aug 20 2024 Today I installed a new transformer and two ring doorbell wired for a neighbor s relative. I upgraded their transformer to 24V 40vA

I then went in their chime box to install the jumper wires betwe Jun 14 2020  
Well I guess Ill see how long the batteries last on these 2 cams Im hoping  
till springbut I doubt it

Im extremely disappointed in this setup and lack of plain prominent installation  
information that comes with the cam and solar panels Nov 11 2023 Hello Ring Team  
I would like to know if the 24 7 recording feature is in the talks

To my memory I have read somewhere that it was suppose to come out inSpring.  
Have you received feedback from o Mar 6 2024 I had a Ring Video Doorbell 2nd  
generation installed in circa 2021 or later. I had an analog doorbell chime box  
inside the house which was connected to the doorbell transformer

The specs for in Nov 23 2020 I ve decided I won t be adding to my Ring devices  
until the playing field is levelled up. I don t want police or fire dispatch  
just having the alerts would be useful

Will probably review my setup in theSpringand possibly get rid of Ring for one  
of its competitors if it s still the same

1 19 09 2021 11 08 38 Reply G Griz Feb 8 2024 Starting 11 March 2024 Ring have  
increased their subscription the basic plan has risen from 25 to 35 and now  
to49.99 year per device.I for one am going to stop purchasing and fitting their  
pro Dec 12 2020 I found that there are 2 smallspringloaded pins inside the unit  
that make contact with 2 screw terminal posts on the back casing

However I noticed only one of the pins was extended Oct 19 2019 I use it for  
beading the condensation we get on our cars here every morning during the Fall  
Winter Springcolder seasons and works extremely well

It doesnt just clean it it leaves a microscopic layer of protection hence you  
dont get water staying on the surface.
