Aug 20 2024 Today I installed a new transformer and two ring doorbell wired for a neighbor s relative. I upgraded their transformer to 24V 40vA

I then went in their chime box to install the jumper wires betwe Jun 14 2020
Well I guess Ill see how long the batteries last on these 2 cams Im hoping
tillspringbut I doubt it

Im extremely disappointed in this setup and lack of plain prominent installation
information that comes with the cam and solar panels Nov 11 2023 Hello Ring Team
I would like to know if the 24 7 recording feature is in the talks

To my memory I have read somewhere that it was suppose to come out inSpring.
Have you received feedback from o Mar 6 2024 I had a Ring Video Doorbell 2nd
generation installed in circa 2021 or later. I had an analog doorbell chime box
inside the house which was connected to the doorbell transformer

The specs for in Nov 23 2020 I ve decided I won t be adding to my Ring devices
until the playing field is levelled up. I don t want police or fire dispatch
just having the alerts would be useful

Will probably review my setup in theSpringand possibly get rid of Ring for one
of its competitors if it s still the same

increased their subscription the basic plan has risen from 25 to 35 and now
to49.99 year per device.I for one am going to stop purchasing and fitting their
pro Dec 12 2020 I found that there are 2 smallspringloaded pins inside the unit
that make contact with 2 screw terminal posts on the back casing

However I noticed only one of the pins was extended Oct 19 2019 I use it for
beading the condensation we get on our cars here every morning during the Fall
Winter Springcolder seasons and works extremely well

It doesnt just clean it it leaves a microscopic layer of protection hence you
dont get water staying on the surface.
