Since our founding in 1946 SRI has invented and made meaningful contributions to innovations that touch every one of our lives every day

Explore how these technologies services and ideas have created new industries billions of dollars in market value and lasting benefits to society
SRI International SRI originally the Stanford Research Institute is a nonprofit scientific research institute and organization headquartered in Menlo Park California United States An independent non profit institute headquartered in Silicon Valley SRI is a global leader in research and development

We collaborate across technical and scientific disciplines to create a SRI formally separated from Stanford University in 1970 and became known as SRI International in 1977. SRI describes its mission as creating world changing solutions to make people safer healthier and more productive Jan 13 2025 There are differences between ESG SRI and impact investing that every investor should understand Founded in 1946 as the Stanford Research Institute and independent since 1970 SRI is a pioneer in creating and applying innovative solutions for governments businesses foundations and other organizations worldwide
Ma Sri Prathyangira Devi the Mother's Love Even if the child is wicked or wayward do the parents stop loving it? No! In fact if they are true parents they will love the child all.
