I know theStella Bareypodcast was one of the reasons Canceled had to go on hiatus bc of the controversy BUT Tana just made Stella Bareytalking about how she proved how sexual she to another guy who had a gf thoughts? As a fan of her content I was disappointed to see such inappropriate and unacceptable Apr 28 2022 soStella bareywas just on tana mongeous podcast cancelled

and it actually got a ton of backlash because of the cousin story and she told pretty much the same stories she told on SWAF but tana kept referencing sofias podcast multiple times throughout the episode and it make me so happy Apr 8 2024 Stellatold Drew not to look at any of her social media because she was embarrassed during their intros relationship however Drew recently watched some podcasts and was shocked at how he was speaking about him

This included lies belittling him infantilising him and generally speaking horribly about him to sensationalise the story Feb 21 2023 I recently watched a TikTok video byStella Bareywhere she discussed how her personal trainer fired her after she publicly stated that she wants to sleep with him despite him being married
