Oct 9 2022 I found one jacket in large tall though it was some kinda hybrid cotton duck material and not what I was looking for at all. Also I noticed their sizing varies quite a bit between products unlike most better workwear brands

It reminded me of LL Bean when they started opening stores in higher end malls and their quality went downhill Oct 11 2025 I work from home and need slippers that don t disintegrate after 60 days. Cheap China slippers are not an option. I m looking for suggestions that will last a few years

What are my options?ETA slip Dec 12 2025 Everything is expensive as fuck these days and with many companies making things to intentionally fall apart so you have to buy a new one Ive decided to start trying products with a lifetime warrant Nov 17 2024 Quoted You racist! commercials have shown me that african americans are the largest group of people that go camping and offroading

Often with their white husbands or wives. LI Bean had a big push for fat and black people in their social media campaigns but the LL Bean ads for Japan were all either Japanese people or thin white Americans Apr 11 2021 Just go naked

It ll be easier than worrying about which company isn t retarded Dec 21 2025 And I still say the chicks should just go flick the bean. I ll even watch. You must hate a Democrat as you would the Devil. Extremism in defense of liberty is no vice

Moderation in pursuit of justice is no virtue

Some rum must be tested while assembling said pie. Sugar pumpkins make it superior to the canned squash Jul 26 2022 Apparently I m looking for a unicorn of a backpack

I have a 10.5 Nov 1 2022 [ 4] Quote History Quoted I have been considering buying a cardigan for a house coat and feel light in the loafers just considering it. I am looking for alternatives though. Disappointed to see that this ZF hoodie sux dick apparently. I am considering this one

LL Bean But the Orvis one is nicer. Twice the price Jan 13 2025 Chili is the food of the Gods and I like it just about anyway you can make it beans no beans red green white beef pork and even chicken. If its well made and tasty Ill eat it and enjoy it

Except for that fucking cinnamon Cincinnati abomination it can fuck right off.
