Jun 16 2022 thestreameron the right is kimmikichi they look very similar i think she has the background greenscreened to look the same as storm s on the left and I think that s where the milkbags came into context with her trying to imitate storm as a joke. Jan 29 2023 How do streamers use copyrighted music while they're live and not get silenced? I recently heard Woolie use the term streamerbait on the podcast which I hadn't heard before.

When I looked into it, it seemed to describe games that are less about creating a fun individual experience and more about baiting some twitchstreamer into playing it in front of their massive audience for a boost in popularity. Sep 5 2023 Here's an example that doesn't take into account any bulk purchasing discounts.

Bits have a 40% markup already from Twitch. You buy 100 bits for \$1.40 then you give 100 bits away to a streamer. That streamer gets 100% of the bits you give so that 100 bits earns the streamer \$1.00.

You paid the extra 40 cents to twitch already when you added bits to your wallet.
