The spirit of bringing innovation to healthcare began with Dr. Stryker when he founded the company in 1941 and it continues today.

We are well positioned to continue serving the worldwide medical community for generations to come. Inari Medical, now part of Stryker, launches the all-new InThrill Thrombectomy System designed to address arteriovenous access and small vessel thrombus cases. When Dr.

Homer Stryker, an orthopaedic surgeon from Kalamazoo, Michigan, found that certain medical products were not meeting his patients' needs. He invented new ones and pursued innovative ideas guided by better patient outcomes.
