Dont be ashamed of yours and do be mindful to not point out or comment on another persons body if theyre a different shape or size than youve been with because your comments might live in that persons head for a long time Jun 9 2018

But I think there s a combo of gay men being more endowed better groomed and less fat on average than straight men and gay men being less sexually inhibited than women that contributes to gay or bi guys liking to suckdickmore often May 5 2024 Really depends on whether the person who has adickis respectful or not

Edit I dont want to imply that only a situation where one person has adickis the universe or not be inclusive or something
