Aug 10 2021 The other day I saw u Ordinary Material 77 post about the five pack fever so I thought Id check out Thompson

One thing I had been thinking of ordering was the Perdomo Connecticut travel humidor bag because I had been wanting to try out Perdomo after hearing a lot about their cigars on this sub Because Thompson Cigars International Pipes and Cigars and CigarBid are all the same company

They are all owned by STG and based out of Bethlehem PA A virtual lounge for all of your cigar needs

Come in pick out a smoke and sit down and enjoy the conversation of other enthusiasts as we discuss our favorite smokes and pairings news and latest releases in the cigar industry and much much more Jun 24 2024 Thompson is like the Columbia House of the cigar industry and if you get the reference it probably hurt to get out of bed this morning! Yes there are a litany of complaints against them for automatically signing people up for a subscription when they placed a one time order for a few cigars Mar 30 2020 I noticed that for the past five months since placing my first order with Thompson Cigars I ve been charged 14.95 monthly to my credit card under the business name THOMPSON CO TOTALVALP

I do not remember ever signing up for this monthly charge and it looks like it is a charge attached to some rewards program They are owned by the same parent company that owns general cigars forged cigars and almost all of the other major online retailers Thompson cigarbid cigar pipesandcigars etc Dec 4 2011 Also Thompson is the only place I have ever ordered from where the cigars arrived in extremely poor condition

Dried out cracked like they had been in a dehumidifier or something Thompson is a company of ill repute and their great deals are just shit to peddle. Lets assume that the humidor costs \$4 to make and that the lighter costs \$3

12 cigars for \$22 so less than \$2per stick and they are still making profit on this somehow Mar 11 2024 Our community is a haven for cigar aficionados on a mission to discover the finest cigars at unbeatable prices

We re committed to sharing and hunting down the best cigar deals from trusted sources ensuring that everyone can savor the rich flavors of premium cigars without breaking the bank
