Jun 19 2025 Stay Away From Consumer Cellular I decided to give Consumer Cellular a try because I was intrigued by their low prices. After not being that impressed I decided to go with Mint Mobile

I ended my service with Consumer Cellular on 4 19 but was surprised when I received another bill after my service ended Aug 22 2025 Consumer Cellular is an MVNO mobile virtual network operator as described below

I want my family to have the security of reliable cell service so I'm sticking with Verizon at least for now

This is another example of AARP giving seniors a great offer without disclosing what you may be giving up and the lower level of service that you will Jul 28 2025 Consumer Cellular feels kind of slimy with all these fees that for some reason the CSRs claim they cannot tell you up front

However CC is less to much less expensive than T Mobile Jan 5 2025 AARP Consumer Cellular Program Doesn't Support Single Seniors Consumer cellular offers a special unlimited data plan to AARP members \$55 for two lines

Unfortunately my wife succumbed to cancer in 2023 and I only need one line of service now being alone Jul 21 2025 Consumer Cellular is a bunch of scam artists. Four business days before the bill closing date I notified them of my intent to leave

They gave me two transfer pins which I immediately passed on to the new carrier. Consumer Cellular then sat on the transfer until the billing cycle closed and then released the two lines to the new carrier

Consumer Cellular's unlimited data plan isn't Mar 27 2025 Consumer Cellular is a bad choice Why do you continue to promote Consumer Cellular? They did not treat me fairly after I joined them on your recommendation

I moved my cellular service from AT T thinking I would get a better price with better service

I also needed a new phone Jun 6 2023 AARP endorses Consumer Cellular yet in our experience they seem to be pulling cons on older consumers as witnessed by numerous complaints with the BBB and FTC even in these message boards! detailing scams similar to our experience

My 84 year old mother purchased and paid extra for a NEW phone Aug 16 2025 Consumer Cellular is not a prepaid cellular service provider and do not have contracts service is month to month. When an account is closed there is always a final bill for service through the cancellation date
