What sense of You're welcome? Sure thing could substitute for some uses of You're welcome but not others so a little context would help us considerably. Sure thing is quite casual.

If you are fairly new to your particular work setting it might be good to pay attention to how others talk to your boss especially those similar to you in terms of tenure and status on the job. Just an opinion Jul 21 2011 I often hear Sure in response when I say Thank you or Thanks to someone.

I don't know if this is correct usage? If it is considered good I'll use it someday. In American English sure is often heard in reply to offering help or expressing appreciation.

I was wondering if it may not be a good choice? For example Would you like a cup of water? S Feb 20 2018 I notice that the use of the word sure to mean yes seems to be much more common in American English than in other dialects.

Can anyone point to any evidence as to the origins of this divergence? If I heard someone say this is a forsure thing I would balk at it but parse it to mean this thing is forsure. So to actually attempt answering your question both phrases are used in Minnesota and Texas Closed 14 years ago.

Possible Duplicate How do native English speakers respond to Thank you? Can Sure be used to respond to Thanks? Is not at all still alive and doing well? I'm getting thanked a lot these days and want to find lots of different ways to say you're welcome.

Could forsure mean you're welcome? A Google Books search turns up two instances of ain't nothing but a chicken wing from the period 1988-1991.

The older instance is from Gerald Grant The World We Created at Hamilton High 1988 Coming out of a computer class whites are entertaining black classmates as they read with comic skill a note that a black nicknamed Tron Dee has sent them on the computer Tron Dee in the place Dec 11 2014 No worries is an expression seen in Australian British New Zealand English meaning do not worry about that.

that's all right sure thing It is similar to the English no problem. No worries always plural. No problem always singular.

Resource No worries Wiki Opinion If a speaker would want to refer to several related problems no problems should always make sense Mar 22 2020 I am trying to understand the meaning of won't be sure in the following sentence from Futurama episode S03E20 Godfella's

When you do things right people won't be sure you've done anything at all.
