A very rough guide is \$4 per 1000 views for videos with a general western audience Talking to Vegas Matt he seemed a nice guy and was willing to speak to anyway and answer their questions

Bluff was very much the same and actually came over to a few to speak to them also Apr 1 2025 Genuinely wonder what his next move will be i think hes going to do a vegas matt slot vlog t If he goes back to poker he will not do well that ship has sailed theres no world in which he can win enough but maybe just vlog and get by for a while

The candy game has done alot of damage to his vlog he is hardly getting any views Vegas was Miami Matt. At hollywood it s California Chris. My roommates like to call me Mooremoney. and at home in Chicago the dealers call me Matty

So call me whatever the **** you want. I forgot about those photos. They are on my facebook and although they turned out a little blurry I ll post them later when I figure out how to do so Jul 3 2025 You are now taxed on \$10k gambling winnings at your marginal tax rate

I m imagining the big slot channels like Big Jackpot who is a scumbag email spammer so no sympathy gained there or Brian Christopher or Vegas Matt. Millions in gross income ouch Feb 11 2025 He also reports on meeting Vegas Matt

Apparently he has the same tax advisor as Hunter Biden and states he is not filing taxes this year but maybe next year. The next video will be fire. He is also going to make an LLC for his video productions

A couple years ago in Vegas I was playing 2 5 and he and some friends jumped in to play an hour of drunk all in poker

He befriended me and took me out to the clubs with him buying thousands in alcohol and hooked me up with the hottestgirl I ll ever hook up with May 27 2025
