In Europe the eurois used in 26 countries including Kosovo while the Swiss franc is used in two countries

All 23 other widely recognized states each have their own national currency The widely used payment instruments in international trade and banking are the euro the pound sterl and the Swiss franc which are also always included in the top 10 list of the most tradedcurrenciesin the forex market Aug 6 2024 There is no singlecurrencyinEurope though many European countries use the euro

The British pound is also used by the four nations of the United Kingdom England Scotland Wales and Northern Ireland Within the euro area theeurois the only legal tender. In the absence of a specific agreement concerning the means of payment creditors are obliged to accept payment in euros

Parties may also agree to transactions using other official foreign currencies e.g. the US dollar Dec 9 2025 Currently 20 countries in theEuropeanUnion officially use the euro. These are nations that are part of theeurozone though not the entire EU. Heres the list of countries Germany

Austria. Belgium. Cyprus. Croatia

Slovakia. Slovenia. Spain. Estonia

Finland. France. Greece. Ireland

Italy. Latvia. Lithuania

Luxembourg A good way to think aboutcurrenciesinEuropeis to split them in two on one hand you have the euro which is used in 19 countries around the continent and on the other hand you have countries that still use a nationalcurrency Completecurrencydatabase for allEuropeancountries with official names ISO 4217 codes currenciesymbols and exchange information
