Jan 25 2021 Does anybody know the etymology of the phrase sweet dreams ? I tried googling but did not find anything satisfying

Is this a relatively new phrase of the modern world or has this been in use for Sweet dreams would technically work but it s not usually used except with people you are very familiar with children romantic partners family etc

You could also use sleep well at night it s not restricted to napping or sleeping for long periods during the day. Also you can use good night for situations other than going to sleep Aug 29 2014 You need an appropriate adjective to qualify thedreamsas good pleasant nice or lovely

Probably the most common adjective which is closely related to good is the one used in the very common expression Sweet dreams!! used to wish a good night with pleasantdreams

See also Sweet dreams Jun 4 2017 sweet dreams sleep well also suggested by the member flamesquirrel in the earlier answer to this question sleep tight and pleasantdreams. Jun 4 2014 These are lyrics from the Beyonc song Sweet Dreams link to the part in question

I ve been curious about this for a while

If one considers Till death do us part to be correct could this sentence be considered correct as well? Interestingly these lyrics are changed in the album version link Not even death could make us part Mar 24 2021 Here s an example sentence How long do you think Rick and Michonne been uggin bumplies? What does uggin bumplies mean and where does it come from? Apr 21 2017 In She had long black hair I don t think commas are necessary by order of adjectives

However with regard to commas with adjectives I have also found that in all cases where She had long black hair no commas have been used. However in case of long straight brown hair sometimes in edited writing there is a comma after long

I am curious to know whether there is a rule why the Jan 16 2019 You will hear the old folks say Look out children Hawkins is coming

The original publication date of Evans Weather Lore was not at first clear from the textual evidence in Strange Ways andSweet Dreams the article appeared to have been reprinted from Southern Workman 25 no

1 January 1896 Mondegreens are what you get when listeners mishear words for example when people think the song lyrics areSweet dreamsare made of cheese instead ofSweet dreamsare made of these

Eggcorns are what you get when people swap homophones in phrases such as
