Aug 2 2017 Hey everyone! After my last track I posted I actually somehow found the time and motivation to start working on my first ever true SX track. As you can see I obviously wanted to be creative and see what I could come up with

So here it is Walmart SX! The Walmart building was fully modeled by me and I m excited to see what you guys will come up with when using the object on your tracks! This combination of bike and gear has taken my riding experience to a whole new level delivering exceptional performance and unbeatable comfort. Starting with the 2025 SX bike it s truly a work of art

Lightweight yet durable Nov 13 2022 Forum rules If your topic doesn t contain a track link this is the wrong place to post it Sep 11 2020 Delb SX was a relatively easy fun and popular track back in late 2016

I was playing this track with some friends and decided to mess around with a few things on the track to make it better for riding and eventually just ended up remaking the track and changing the direction with some new sections added

The track is basically completely new but with just the base of original Delb. Thanks Jun 8 2013 Forum rules If your topic doesn t contain a track link this is the wrong place to post it Apr 21 2021 Hey All Been stuffing around in Photoshop learning how to build jump gradients in there for sim

I came across a post from vortexracingleader who had a post on making gradients for sim and it got me thinking to have a crack myself. I ve put together a couple of PSD s with all the most common obstacles and jump spacing s you would find on a normal SX track

I m still very new to this so if Aug 27 2012 Forum rules If your topic doesn t contain a track link this is the wrong place to post it Dec 4 2019 DelbSX Triple Crown Series by JoeyNovice Fri Sep 18 2020 10 44 pm.
