Our Guest center will open again on April 1st 2026 we are looking forward to welcome you inTamera

Get to know us in an Introduction Week book a seminar about one of our research areas or dive into a community experience while supporting hands on VisitingTamerawith Children Details of how and when you can bring your children toTamera Our Place Map Interactive map ofTamera s land with descriptions of our different projects and spaces Interactive timeline of theTameraproject history

Community development milestones from 1978 in southern Germany to today in Alentejo Portugal TheTameraPeace Research Center is empowering a planetary community of change makers to take an active role in transition to a more peaceful world Tamerais an emerging Healing Biotope where we work to reconnect with and restore the wholeness of life

Courses may focus on specific topics but all of our research exists within an interconnected web so your experience will likely expand into other areas Building Water Retention Landscapes is an active and effective answer to the destruction of nature

This answer was developed inTamerain intense cooperation with the Austrian Permaculture specialist Sepp Holzer and various visionaries and ecologists from around the world Our Herbal House in the Aldeia da Luz provides all ofTamerawith herbal and also medicinal teas and plants from cultivated and wild herbs

We research and compile traditional herbal knowledge with new healing knowledge We wantTamerato become a global education center to train people from around the world who wish to co create a new planetary culture

Currently about 2000 peaceworkers students and visitors come toTameraeach year Terra Nova envisions a post patriarchal civilization free of violence and war a culture of autonomous and interconnected communities aligned with life.
