Apr 3 2025 Were thrilled to announce that the OEM 10.1 Uconnect 5 UBN Upgrade is now available for 2018 2023 Jeep Wrangler JLs and 2020 2023 Jeep Gladiator JTs and its a true trailblazer Mar 4 2025 Ram has introduced a larger 14.5 inch Uconnect 5 infotainment screen for the 2025 Ram 1500 lineup and we finally got the chance to spend some quality time with it

This new screen comes standard on the Limited Longhorn and Tungstentrimms while its an option on Laramie Rebel and the new RHO models

While bigger screens are often seen as an upgrade we found that bigger doesnt always Dec 26 2011 Here is some information on UConnect firmware updates Windows PC or laptop. Broadband highspeed connection preferred

If you have a newer mac be sure you have the option to format windows fat32 for the usb thumbdrive. Download file to pc and extract all to drive letter only of usb. USB Feb 1 2025 Tried hard reset of Uconnect press volume and channel selector for 20 seconds still no luck

Anybody know how to FORCE an update to Uconnect? What else should I try? Thanks in advance! May 3 2018 Hello to our Ram Brand enthusiasts We ve been noticing some conversations surrounding potential resets reboot options for your Uconnect 5 systems and we wanted to make these instructions easily accessible to all of you

While we ll continue to provide these instructions as needed on the Aug 24 2023 I recently upgraded my 2015 Ram 1500 to a newer 8.4 Nav radio from a 2020 Ram classic in order to have Apple CarPlay. Everything is connected as it should be but I cant get my iPhone to pair with the radio

What can I do to correct this? All help greatly appreciated

Thanks Steve Dec 11 2018 If your 2025 Uconnect audio settings under the volume section are not saving and reset to factory settings every time you turn off the truck despite Uconnect stating it s normal there might be a software glitch or a misunderstanding about how the system is designed it s likely not intended behavior and you should contact your dealer to Oct 7 2022 I have a brand new 2022 Dodge Laramie GT Night Edition

The 12 Uconnect screen only works about 50% of the time. Usually in very hot weather or after driving for 20 minutes the screen becomes unresponsive. I can t press any buttons on the touch screen

Sometimes the screen will go completely Nov 12 2021 Uconnect s web site [www.driveuconnect](http://www.driveuconnect) is no longer supported by the manufacturer and isn t being updated
