Aug 7 2012 Even without bringback status a non import marked rifle is worth a bit more than an otherwise equal condition origin rifle. Now as you know this is a forum full of guys who love SKS rifles and some who know a whole lot about them

Looks like you re making good progress.Thefirst one of these top breaks I had was given to me by an old friend. It had a broken main spring and hand spring. I made a new main spring easily from a K frame spring by shortening and thinning it.Thehand spring drove me nuts though

I tried umpteen different attemptsbeforel hit ontheright springiness Re Shotgun preteen vs
