Aug 7 2012 Even without bringback status a non import marked rifle is worth a bit more than an otherwise equal condition origin rifle. Now as you know this is a forum full of guys who love SKS rifles and some who know a whole lot about them

We all want to see pictures so stop being ateasealready Logged Jun 22 2010 Working up 45 ACP load w 250gr XTP w pics!It s gettin late and I just got home and need to shower but I lteaseya all with I went to the range and fired all 4 rounds I worked up

My Taurus PT 1911 shot them all fine and nice tight groups at 7 yards just hand held. My Springfield XDm 45 the slide would not close on them. Lacked about a 1 4 from closing

I used my Lee 4 die set with the Feb 5 2009 This better be true or otherwise this is a horribletease! I ve already picked out a spot in the gun safe for one two or three spots to put them. Its true you can bank on it. I heard it from a very good source

If i get a saiga in 7 62x54r with a 22 barrel i will build a tiger out of it. The best that i can Author Topic MS Kim Was Looking a Little Under the Weather Read 2308 times 0 Members and 1 Guest are viewing this topic Knock it off man. No reason toteaseand push him any further

+1 Logged guns be funs I know you do L.G. I thought Id just throw that one in there. Id seen your other post about the stocks and thought I justteaseyou a bit. Im guilty also of switching

I bought a Chinese that was a bubba but it had a awesome Russian stock on it. I took that stock and put on a Russian that was in a folding stock Jan 10 2012 Old School Self DefenseNice project. Looks like you re making good progress

The first one of these top breaks I had was given tomeby an old friend. It had a broken main spring and hand spring. I made a new main spring easily from a K frame spring by shortening and thinning it. The hand spring drovemenuts though

I tried umpteen different attempts before I hit on the right springiness Re Shotgun preteen vs
