Feb 19 2025 We can take immediate actions to make social media safer for youth
The Surgeon Generals Advisory on Social Media and Youth Mental Health calls for
engaging in a multifaceted effort to maximize the benefits and reduce the risk
of harm posed by social media with actions suggested for groups including
children and adolescents policymakers technology companies researchers and
families Sep 15 2025 The Office of the Surgeon General in partnership with the
Smoking and Tobacco Use Advisory Committee and the Food and Drug Administration
FDA have created this resource for parents and caregivers educators and
healthcare professionals to understand the threat vaping poses to Americas youth
Mar 31 2025 National Strategy for Suicide Prevention The 2024 National Strategy
for Suicide Prevention is a bold new 10 year comprehensive whole of society
approach to suicide prevention that provides concrete recommendations for
addressing gaps in the suicide prevention field

This coordinated and comprehensive approach to suicide prevention at the
national state tribal local and territorial levels Jan 17 2025 As required by
Section 673 2 of the Omnibus Budget Reconciliation Act OBRA of 1981 42 U.S.C

9902 2 the Department of Health and Human Services HHS updates the poverty
guidelines at least annually and by law these updates are applied to eligibility
criteria for programs such as Medicaid and the Childrens Health Insurance
Program CHIP

These annual updates account for the Feb 19 2025 Why Youth Mental Health Matters
Mental health challenges are the leading cause of disability and poor life
outcomes in young people

Unfortunately in recent years weve seen significant increases in certain mental
health disorders in youth including depression anxiety and suicidal ideation

Many factors shape the mental health of young people from individual to societal
level forces Jun 6 2017 Fact Sheet This is the 31st tobacco related Surgeon
Generals report issued since 1964

It describes the epidemic of tobacco use among youth ages 12 through 17 and
young adults ages 18 through 25 including the epidemiology causes and health
effects of this tobacco use and interventions proven to prevent it. Scientific
evidence contained in this report supports the following facts 4

HIPAA helps you stay connected with your adult son or daughter for whom you are
caring by permitting health professionals to contact you with information
related to them that is necessary and relevant to your involvement with their
health care or payment for care

If your adult son or daughter becomes disoriented delirious or unaware of their
