Feb 19 2025 We can take immediate actions to make social media safer for youth The Surgeon Generals Advisory on Social Media and Youth Mental Health calls for engaging in a multifaceted effort to maximize the benefits and reduce the risk of harm posed by social media with actions suggested for groups including children and adolescents policymakers technology companies researchers and families Mar 31 2025 National Strategy for Suicide Prevention The 2024 National Strategy for Suicide Prevention is a bold new 10 year comprehensive whole of society approach to suicide prevention that provides concrete recommendations for addressing gaps in the suicide prevention field

This coordinated and comprehensive approach to suicide prevention at the national state tribal local and territorial levels Sep 15 2025 The Office of the Surgeon General in partnership with the Smoking and Tobacco Use Advisory Committee and the Food and Drug Administration FDA have created this resource for parents and caregivers educators and healthcare professionals to understand the threat vaping poses to Americas youth Feb 19 2025 Why Youth Mental Health Matters Mental health challenges are the leading cause of disability and poor life outcomes in young people

Unfortunately in recent years weve seen significant increases in certain mental health disorders in youth including depression anxiety and suicidal ideation

Many factors shape the mental health of young people from individual to societal level forces Jan 17 2025 As required by Section 673 2 of the Omnibus Budget Reconciliation Act OBRA of 1981 42 U.S.C

9902 2 the Department of Health and Human Services HHS updates the poverty guidelines at least annually and by law these updates are applied to eligibility criteria for programs such as Medicaid and the Childrens Health Insurance Program CHIP

These annual updates account for the Jun 6 2017 Fact Sheet This is the 31st tobacco related Surgeon Generals report issued since 1964

It describes the epidemic of tobacco use among youth ages 12 through 17 and young adults ages 18 through 25 including the epidemiology causes and health effects of this tobacco use and interventions proven to prevent it. Scientific evidence contained in this report supports the following facts 4

HIPAA helps you stay connected with your adult son or daughter for whom you are caring by permitting health professionals to contact you with information related to them that is necessary and relevant to your involvement with their health care or payment for care

If your adult son or daughter becomes disoriented delirious or unaware of their
